SEXUAL ETIQUETTE

am i a dirty girl?

*There's something we've learned from some of the letters we've received:
apparently men and women have quite different opinion when it comes to anal sex.
Even women have differing opinions about it; we men all know...*

I'm writing to you because you seem to have an open forum sexuality and that's me. I'm one very sexual person and I just love to fuck. I stopped going to bars because they just didn't attract the type of men or women I wanted to hook up with. I tried some guys, but they were always too drunk or high to keep it hard. Bummer, and huge disappointment. So now I find my partners at the farmer's market. The guys and girls who go are usually more fit and taking care of themselves. Even the ones working the stalls are potentials.

Anyway, back to my point, some girls like to be fucked in heir pussies and would never think of having a cock put into their ass. But that's not me. No way. I'm a dirty girl who likes to play with my ass, feel it, touch it, stretch it and most of all I love to shove things in it. I love how the sphincter grabs on and closes tight around my fingers as I push them in and out of the rubbery opening. I'll start with putting some lube on one finger and then working it into the hole back and forth until it moves up my rectum inch by inch. Once I have it in up to the second knuckle, I'll then put another inside.

I really get a tingle through to my pussy and get soaking wet when I finger my back door. I can feel my fingers pushing their way in right through the thin membrane that separates my ass from my pussy. That's when my asshole heats up and stretches wide! Wide enough so it stays open when I pull out my fingers. This is how I

know I'm ready to insert my favorite things.

I'll start by wetting my butt plug with my tongue and then ready my asshole with enough lube to insert it. Then I insert it nice and easy. I'm in total heaven. When I feel especially dirty I like to spread my ass cheeks to see my hole gape nice and wide. My ass actually puckers when I do this. That's how I know I'm ready to give my little plaything a warm home deep inside my aching ass.

Once it's good and deep inside I'll keep it there for a

while so I can cum many times. Sometimes I insert it and go outside and walk the streets. Once I even stuck it in my ass and went to work. What a surprise it was when my on-and-off boyfriend grabbed me for a quickie in the storeroom. He quickly lifted my skirt and pulled down my panties as my fingers found my clit. As he bent me over the table to fuck me, he saw my little plug peeping out of my ass.

He leaned down over me and whispered something in my ear about fucking my ass. Well, all I can say is that plug was replaced with the much larger head of his cock. At first he teased me with it and then pushed it in deep as I tried to muffle my groans as he fucked and fucked my willing ass until he blew gushes of hot cum into my clenched asshole. Nothing on earth felt better.

turn that frown upside down

Alana and I had a few dates back when we were in college and now that time has passed and we're both divorced, an opportunity presented itself and we took advantage of it.

I maintain a property across from where Alana now lives. One day in the late afternoon, Alana saw me, came over and asked if I would like to join her for coffee. I took her up on her offer and we sat and talked about our pasts and our families and enjoyed the coffee and each other. As we sat conversing, Alana tried to scratch her back but couldn't reach it. I volunteered to take care of the itch and began to scratch her back. I began to rub and massage her neck and down the muscles of her back. She began to relax from my rubbing and told me not to stop.

After about ten minutes, Alana got up, took my hand and told me to come with her. She led me to her bedroom where she sat on the bed and had me stand in front of her. She then smiled at me, reached over to my jeans,

unzipped them and pulled them down to my knees. She then pulled down my boxers to reveal my now hardening cock. She took my cock in her hand and brought to her mouth. With her free hand she reached up and cupped my balls as she was ministering to my now erect manhood with her mouth and other hand.

As her mouth slid further down my shaft, she began to apply suction as she took my manhood in and out of her very hot moist mouth. She had a way of applying the right amount of suction and pressure while founding my balls. About fifteen minutes was all I could take and I placed my hands on the back of her head and pulled her closer to me as she took more of me into her mouth. I let out a small groan and held her head as my cock contracted and I began to shoot my hot sperm into her mouth. With this, Alana began to suck harder and when I finally stopped ejaculating, she opened her mouth and I saw that she had swallowed every last drop.

I stood there for a minute but got myself together to tell her that I had to go. But her frown turned upside down when I told her I'd be back at six for sex.

– Calvin, Lexington, KY

down the road

He had been an interesting conquest and to this day, is still one of the biggest cocks I have ever had the pleasure of having in my mouth, pussy and ass. When we were together, I loved unbuttoning him when he was driving, running my hands over his beautiful cock, loving the feel of it under my skin, pulsing and hard. I used to lean over and lick him gently, knowing others might see us and yet not care. Just as long as I could feel his cock along my lips and in my mouth.

He thought I was so filthy whenever I did, calling me a dirty bitch. He was never a big fan of feeling my lips massage his shaft or stroke his balls whilst sucking hard on the head – he was more interested in the excitement of possibly getting caught and then getting me home as soon as possible and throwing me over the first piece of furniture he could find so he could impale me with his cock and eventually fill me with his cum.

We had been out for dinner and a catch up and he had chose to avoid drinking, instead giving people a lift home and one by one, he drove across the city, dropping off friends until it was just him and me. Me, being very drunken on many glasses of wine, spirits and liqueurs, and sprawled quite comfortably in his huge leather passenger seat. It felt nice and cool against my skin and so comfortable. We laughed and chatted as he drove and soon we were at my door. I pouted, telling him I wasn't ready to go home and asked if we could go for another drive. He took country roads, which was much more exciting, the sports handling on his car leaving me sliding on the leather seat, as we turned corners, followed by giggling like a little girl.

I looked over at him and noticed his chiselled jaw and exposed neck and I wanted to kiss it. The collar on his shirt open, exposing a little skin at the top of his chest and I began desperate to undo the buttons. Vodka makes me do crazy things because I started to flirt shamelessly,

which he laughed off, telling me I was drunk and would feel very stupid and hung over in the morning. I pouted some more and tried to be as sexy as possible, which may have looked daft and drunken!

I pouted and ran my hand over his thigh and traced the seam of his trousers up to his crotch. I looked over at him with innocent eyes and continued until my hand was gripping his growing cock through his trousers. He gasped initially but continued to concentrate on the road. I could tell in his eyes that he would struggle to say no to me – he always had and I could guess he wanted to know what I would do next and how far I would let this voyeurism go.

It was still quite light outside on that summer evening, so I slowly moved my hand up my thigh and pulled down my panties, lacy and damp. I removed them altogether, holding them up for him to see. I threw them at my feet and slid my skirt up so I could play with myself for him, using two fingers to enter my pussy. After around five minutes of him shifting himself uncomfortably in his seat, he had to adjust his hard cock with his hand. I took this opportunity to lift my hand and put a finger in his mouth, letting him taste my juices. I could see him looking along the road – looking for somewhere to stop. He suggested somewhere quiet. I refused him, being stubborn and bitchy and he looked at me desperately, frustrated at being so horny and frustrated at my attitude. He started using a pet name he had used on me when we were together, 'Hunni' followed by 'I want you'.

We only managed another mile down the road before asking him to turn off and find somewhere to park the car. He looked relieved. He found a spot, turned the lights off and I was already on him, breathing in his aftershave – the one that makes me go crazy – and kissing his mouth, my fingers running through his hair as he held onto my lips with his. But this was not about foreplay.

I knew what I wanted and I could see from the glint in his eyes that he wanted it too. He positioned my chair as far back as it would go, pushing me backwards, and then turned the handle until the chair eased backwards, moving me horizontal. My legs were still open from my playing and he lunged at my body, positioning himself over me, kneeling in the foot well. He pushed his hands up my skirt, grabbing my ass and pulling me down the seat towards him. He was forceful with me, gripping my thighs hard as his tongue tickled mine.

I'd never thought about the logistics of positioning for

It felt so filthy, looking outside, seeing it get dark and wondering who might disturb us. They could watch for all I cared – it would be a hell of a show.

She took my cock in her hand and brought to her mouth. With her free hand she reached up and cupped by balls as she was ministering to my now erect manhood with her mouth and other hand.

sex in the car but here I was legs spread, with my ex-boyfriend unbuttoning his fly, and me eager to be fucked. It felt so filthy, looking outside, seeing it get dark and wondering who might disturb us. They could watch for all I cared – it would be a hell of a show.

His cock lined up with my pussy lips coated with wetness, and he pushed into me. He was trying to hold back I could tell, so I whispered in his ear to "Fuck me... fuck me

my pussy held and massaged his shaft. His body was rigid as he filled me with lots of his hot cum. He basked in his orgasm as I kept squeezing his cock more gently now.

He let go of my ass and thighs, staying buried in me and kissed me before looking around for any signs of life in the outside world, or at the very least outside the car, but it was all clear. He moaned as inch by inch he removed his cock from my wet swollen pussy, battered and used by

baby." He rammed my hole for all it was worth, still holding onto my ass, gripping it tight as my pussy gripped his cock. He began to pound my pussy hard and fast as I shook underneath him. He whispered "You can't take it, can you hunni? It's too big for you, isn't it." with me moaning into his shoulder than I would take all he could give me. I loved his cock inside me, stretching me. It was frantic, leaving me moaning and clawing at the back of his shirt, holding on as his cock battered my pussy.

He was getting to the point of no return and I wanted it, too; desperate for him to fuck me harder and faster until he filled me. His nails were digging into my ass and thighs as his orgasm took over... "Oh, fuck yeah." followed by some almost painfully deep thrusts as his cock began to spurt cum deep into my pussy, twitching as the walls of

him. He got off me, sweat dripping on me, hot skin leaving me and moved back to his seat, unable to drive yet and breathless from our antics.

I straighten the seat up, found my panties on the floor and put them back on, feeling cum leak from me, soaking my thighs and then the fabric of my panties. He drove away without a peep between us and eventually found his way back to my house. He dropped me off at the curb and I left, without a word, without even a glance back. Once I was inside my home, I put my fingers in my pussy and removed them to taste the mix of cum and my juices. It tasted good; memories of sex with him and memories of why we're no longer together.

When I got the call to do a scene with Marco, I jumped at the chance. He's such a hunk and a really good fuck. I freshened up and headed over to the location. When we met, it was lust at first sight. I just couldn't wait to get my lips around his hard cock. Then it's going to go into my pussy and finally, I can't wait, make him cum all over me.

It's the one thing I actually look forward to during sex.

BLAIR-NTS-11

CINDY
BLAST
IN MY
TIGHT
ASS!

I'm a bit of an anal freak and it's all my husband's fault. Before we were married, one night we got pretty drunk on champagne and started making out. That led to us getting it on and after an hour of some heavy petting and great sex, he 'accidentally' slipped it into my butthole. I initially screamed a little and he pulled out not realizing what happened. But after a moment, I felt a tingle and asked if he would do that again. Been addicted ever since.

roommate shuffle it was inevitable

I was lighting the candle at both ends and I liked it!

I live alone now so I look forward to my twenty-two year old daughter Penny's visits from college. So does our neighbor's daughter, Leah, and her roommate Katrina. They all go to the same college and were also best of friends and all the same age.

Tonight Leah and Katrina were sleeping over, something the two of them have done often during these college years. Personally, I don't think they're gay with each other, but I choose not to ask. We had a nice dinner and now, unable to sleep, I came downstairs to clean up. As I was putting a half-empty bottle of wine back into the fridge, Leah walked in with some of the juice glasses the girls had used earlier. Putting them into the sink and saying hello to me, she took another glass and poured some wine into it.

"Leah, isn't it kinda late for that?" I asked her. Leah was a hot looking French girl. At five foot five inches, she had dyed her dark hair lighter and her olive skin glowed in the low kitchen light. Her breasts were full enough and I found myself staring. Leah was Jerron's daughter, our neighbor for more than fifteen years. Katerina was an inch taller and well-built, with even larger boobs. "This glass is for you," Leah replied. "I've had too much already tonight. That's probably why I can't sleep." I told her. "I know, I couldn't

sleep either, Kat's out like a light," she said.

"Come on, Mr. Butler, take another drink. Drink up." As a freshly poured glass touched my lips, she poured herself another. "I think you're way ahead of me," she said. "I need to ask you something, but you have to be honest with me," she added. "Sure Leah, what is it?" I asked her.

"What did you do with my Katrina?" Leah asked. "It's a secret," I whispered. Leah stepped up close to me and put her mouth next to my ear. "What's a secret?" she whispered back. "That I fucked her, but she made me promise not to tell anyone, especially you. I wasn't supposed to tell anyone," I mumbled. "Oh well. You won't tell, will you?"

"Did you enjoy it Mr. Butler? Did you enjoy fucking my best friend, you jerk?" she asked with a tone of anger in her voice. But I let the anger just slide on over me. "Oh yes, she was great. Yes, I enjoyed it. You know, she wants to wake up with me in bed with her, so we can enjoy each other again. Do you think I should? Would you mind if I fucked her again?" She came closer and with her voice back down to a whisper and her mouth next to my ear she said, "We'll talk about that later."

Then suddenly, Leah's fingers

started roaming across my arms and it began to have an even bigger effect on me than the wine. I was starting to get turned on by it all, I noticed her other hand was gently rubbing across my stomach in small little circles.

"So what do you think about Kat's fucking roomie?" she asked, as she let her fingers glide down across the front of my pants and my limp member, urging it to new life. "We could fix that, but only if you don't tell anybody." I offered.

She took another quick drink of wine from the bottle, grabbed my hand and dragged me along. Without trying to be quiet, she opened the guest bedroom door and pulled me in, shutting the door behind us. "Kat's in here," I said. "She always takes a sleeping pill so she'll be asleep all night long. Now get out of those clothes and get in the bed," she ordered. I couldn't believe what I was hearing from this little sexpot. Being too drunk to protest, I did as she directed and got on my back next to her sleeping roomie.

Leah threw off the covers and knelt between my legs and took my semi-hard shaft into her mouth. It only took me a few seconds to realize Leah was no slouch at this. As she sucked my dick, she slid her tongue up and down the underside of my shaft. Sometimes she would scrape her teeth from top to bottom and back, ending with a hard suck on the head of my penis while she stroked me with her hand.

It wasn't too many minutes before I realized that she was intending on taking me all the way like this. "If you keep this up and I won't be able to hold it," I whispered. Pulling off long enough to talk she said, "I don't want you to hold it. Just let it cum, Mr. Butler." She began to deep throat me to the point of no return. I grabbed her head with my

hands and held her down on me. I only gave her three bursts but it felt wonderful.

I could only imagine what it would be like if I had a full load of cum to give her. I let her head go free. That was incredible. She sat up and smiled at me, wiping off some cum that oozed out of her mouth. "Your turn," she said as she swapped places with me.

She was beautiful naked. I leaned down and kissed Leah on the mouth. I could taste the salty-sweet flavor of my cum; even more so when Leah pushed her tongue into my mouth. I sucked on it as she toyed with me, moving her tongue in and out of my mouth in a mock fucking manner. Kissing my way down her neck and chest, I made my way to her breasts. Her nipples were firm but not hard yet. I would see they got that way later when I fucked her.

Moving downward, my kisses came to her silky patch of hair. As I licked and kissed all around her pussy, I stroked the insides of her thighs with my fingernails. I wet my middle finger and without stopping licking, I slipped my finger into her hole. She was wet and didn't need anything extra from me. Curling my finger up and back towards me, I massaged the inside of her vagina. She continued to moan and pleaded for more. I took my finger and began to push it in and out, just like I was fucking her.

Minutes later, in a quiet moan, "I'm cumming." She arched her back as her orgasm swept over her. I halted my hand motions pulling my finger out of her pussy. But a moment later I had replaced it with my hard shaft. Leah squealed as I entered her pussy and pounded her for several minutes.

Nearly out of breath I leaned down

so that my body rested on her chest, rocking my hips as fast as I could. Leah gripped my arms with her hands as I brought her to another climax just in time for my own. I covered her mouth with my kisses as we both slowly came down from our respective climaxes. After catching our breath, I slid out and rolled onto my back, now caught between her and sleeping Kat.

I must have fallen asleep as I don't remember anything else until I woke up on my right side, curled up behind Katrina. I turned my head and saw that Leah was snuggled up against my back, sound asleep. I truly was caught between two beautiful females. It was kind of a turn on and my body responded. I slipped my hand underneath Kat's nightshirt and began to gently massage her breasts. I rotated my hips, gently guiding my erection between her legs. Still asleep, she rolled slightly away from me, more onto her stomach.

I took this opportunity and rolled with her onto my knees, spreading her legs apart from behind. I reached around her and with one hand pulled her panties down while the other guided my cock into her pussy. It only took a couple of thrusts to wake her up. I guess the sleeping pills had worn off by now.

She was still tipped slightly to one side so she didn't notice her nude sleeping roomie in bed with us. She reached between her legs and touched my cock and brought her fingers to her nose. "So you came," she said, sounding pleasantly surprised. "Not yet," I replied jokingly. "But soon, I hope." While I fucked her from behind, I reached around and stroked her clit.

I kept this up for a few minutes. "Oh baby, fuck me baby, fuck me hard." And I did, too. "You are so fucking hot. I can't think of any-

thing I would rather do than fuck you. Well except maybe one thing," I said. "What would you rather do than fuck me?" she asked. "Fuck you with your naked roomie in bed with us. Turn to your right," I directed her, not slowing down my thrusting at all.

I took both hands and grabbed her hips tight. As I thrust forward, I pulled her back into me, my stomach pounding hard against her ass cheeks. When I felt her pussy walls grip down on me, I pushed in hard one last time and delivered a full load of cum somewhere deep in her pussy. I don't know when Leah woke up but she was staring at us. She got up, grabbed her panties off the floor and left, shutting the door behind her.

"Oh God she saw us," Katrina said. "Was she asleep when you came in?" she asked. "Yes, she was." I lied. "I tried not to wake her but you are just too much for me to be quiet like that. Leah told me last night that you and your boyfriend have split. That man was a fool to let someone like you go."

"Ah, you're so nice," she said to me, followed by kissing me on the mouth. "But we better get cleaned up and get you out of here before Penny gets up. I hope we have a chance of getting together again sometime, I mean just you and me, without Leah." She laughed.

"Well all I have to say about Leah is she's a beautiful roommate. That's a three-way I wouldn't mind trying some day." I said. "Oh stop it, you pervert. You probably couldn't handle her anyway," she laughed.

"Probably not, I can't hardly handle you," I said. I grabbed my pajama bottoms and headed to my bedroom to get dressed. I then cooked up a big breakfast for everyone before the day got any older.

It's really great when you can pick the people you want to cheat with instead of just doing it out of revenge or the spur of the moment – although those can be good times too.

If you really want to get back at your guy, cheat with as many people as you can – at one time. Then if he ever finds out, there's plenty of blame to pass around. But enough of that, you're in for a real treat in the following pages.
